

# Our Lady Queen of Peace Catholic Primary School

In our school we believe that each person is unique and created to flourish in God's image. We aspire to excellence through a nurturing environment in which every child takes Jesus Christ as their model and develops their individual gifts so that they live fully and serve others.

## Accessibility Plan

Agreed:

Date:

## Review Date: Spring 2024

We in Our Lady Queen of Peace Catholic Primary School are committed to equality. We will:

- Eliminate discrimination, harassment, victimisation and any other conduct that is contrary to our belief that each person is unique and special and prohibited by or under Equality Act 2010
- Advance equality of opportunity between persons who share a relevant protected characteristic and persons who do not share it
- Foster good relations between people who share a protected characteristic and people who do not share it.

With this in mind this Accessibility Plan has been drawn up. We are committed to providing a fully accessible environment which values and includes all pupils, staff, parents and visitors regardless of their age, education, physical, sensory, social, spiritual, emotional and cultural needs. We are committed to challenging negative attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion.

The Accessibility Plan will, over time and in line with changing needs:

- Improve awareness of equality and inclusion.
- Improve access to the physical environment of the school, adding specialist facilities as necessary. This covers improvements to the physical environment of the school and physical aids to access education.
- Increase access to the curriculum for pupils with a disability, expanding the curriculum as necessary to ensure that all pupils, with or without a disability, are prepared for life. This covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or school visits. It also covers the provision of specialist aids and equipment, which may assist these pupils in accessing the curriculum.
- Improve the delivery of written information to pupils, staff, parents and visitors with disabilities. Examples might include handouts, timetables, textbooks and information about the school and school events. The information should be made available in various preferred formats within a reasonable time frame.
